

## Challenge n°1

**Make the cat move by several blocks in a direction of your choice.**

## Challenge n°2

**Make the cat move 3 blocks to the right then 2 upwards.**

## Challenge n°3

**Make the cat move across the screen from left to right, jumping every 4 steps.**

**(Start the cat in column 3)**

## Challenge n°4

**Make the cat walk around the whole board.**

**(Cat starting point: row 3, column 3)**

## Challenge n°5

**Change the character** (to something other than the cat).

**Let the new character go to the beach.**

## Challenge n°6

**Take the character for a walk in the forest and have them meet another character.**

## Challenge n°7

**In the forest, a boy is walking along the river. A girl crosses him, walking in the opposite direction, and says 'Hello, what is your name?'**

## Challenge n°8

**Underwater, a crab is moving from left to right and from right to left without stopping. A diver is moving downwards through the water in zigzags.**

## Challenge n°9

**The scene is happening in the forest — we see hills in the distance.**

**A chicken is trying to fly then goes to rest in the chicken coop. At the same time, a little rabbit hops from left to right.**

## Challenge n°10

**Create a scene in which 3 characters or objects move and interact.**

## Challenge n°11

**The scene is taking place on a basketball court. A character dribbles and shoots to score!**

## Challenge n°12

**It's happening at school.**

**3 kids are dancing a synchronised choreography.**

## Challenge n°13

**It's night-time. A character walks along the beach towards the water. A whale jumps out of the water then disappears back in.**

**When they reach the water, the character expresses their great surprise at what they just witnessed!**

## Challenge n°14

**On the moon, a green and red rocket is about to launch. An astronaut gets in. The countdown starts : 5, 4, 3, 2, 1, 0, Liftoff! The rocket launches and flies into space. We see it getting smaller and smaller.**

## Challenge n°15

**On an iceberg, a penguin is going for a walk. A white bear comes to meet her. When he touches the penguin, she slips.**

## Challenge n°16

**Make up your own story including the following elements:**

- At least 2 characters of your choosing or design
- 2 orange blocks
- 1 green block
- 2 purple blocks
